uring the 90s Le Tone had

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

STEP INTO

Every curve and detail of CITROËN C4 adds to its dynamic, confident character. At the front, a feeling of strength and style is perfectly encapsulated by the bold expressive headlights, complete with LED daytime running lights.

The specification described in this brochure represents all CITROËN C4 technology. CITROËN vehicles are on sale across the world and their specification will vary from one country to another. For detailed information about the specification available as standard or as part of the range of options, please see the Product Specification brochure or visit citroen.co.uk.

INNER CALM

A NEW KIND OF COMFORT

CITROËN ADVANCED COMFORT® delivers unrivalled comfort levels to each passenger. Using new technology and intelligent design, it's an approach that keeps you relaxed and refreshed in body and mind. In typically CITROËN style, everything that contributes to comfort has been carefully considered and rethought. Four core themes are used to create the perfect driving environment: soft contact points and noise levels, interior space and versatility, intuitive and useful technology and pure, calm comfort all round.

PANORAMIC LIVING

At heart, CITROËN C4 is about delivering real quality of life on the move. The optional dramatic $1.3~{\rm m}^2$ panoramic roof with integrated electric blind combines with the large sweeping windscreen to create a relaxed, airy ambiance. This is a light and relaxing place to be, wherever you go.

QUALITY IN DEPTH

Inside CITROËN C4 you'll sense the quality all around you. There's a real feel of opulence. The soft touch dashboard, jersey headlining, chrome highlights on the steering wheel controls, air vents and gear lever are all beautifully made. A slim and striking centre panel houses the 7 inch touchscreen*, whilst the huge glazed area casts light on every texture, form and detail. Settle into the deeply sculpted comfortable seats and you'll instantly feel at home.

* Standard on Platinum versions.

COMFORT WITH PRECISION

With its precise steering and reassuring road holding, CITROËN C4 delivers an inspiring blend of comfort, control and safety – just as you'd expect from a CITROËN. Great to drive in all conditions, it inspires confidence in an emergency and helps you avoid trouble.
This natural, responsive balance is enhanced by plenty of innovative technology, such as electronic brake force distribution, emergency braking assistance, intelligent traction control and ESC.

DEEPER INTO SPACE

Getting comfortable in CITROËN C4 is easy, because its 2.6m wheelbase provides plenty of relaxing space. But this interior goes much further, with bags of useful storage places. There are front door pockets that can swallow a 1.5l bottle, door pockets that can swallow a 1.37 oothe, drawers under the front passenger seat, a storage compartment in the centre console and one under the front armrest. The rear load space is seriously flexible too, with a 60/40 split folding rear seat and ski flap for stowing long, bulky objects.

380 LITRES OF CONVENIENCE

Open CITROËN C4's elegant tailgate and you'll find a 380 litre boot that's among the best in its class. Shaped for convenience and practicality, it features a low loading sill and plenty of little touches to make everyday life easier.

CONNECTIVITY COMES NATURALLY ⇒ * < **%** Using CITROËN C4's extensive connected technologies is simply second nature. CITROËN Nav* is controlled by voice recognition or through the 7 inch touch screen and brings you a wealth of information, from real time traffic reports to the location and price of fuel, car parks and even weather forecasts. There's also a Danger Zones option which sends you both audible and visual alerts if it detects any potential problems or hold ups on your route. On some models you can enjoy Mirror Screen Technology,** which lets you control your smartphone applications using the touch screen. This ingenious feature is available via Apple Carplay™, Mirror Link® and Android Auto.** CONNECTIVITY MENU

SAFE **PROGRESS**

Convenient and ingenious, keyless entry and start lets you jump in and start the engine without getting your key out.

On steep hills, this system automatically holds the brakes for 2 seconds, allowing you to move off smoothly and safely.

A real asset on long journeys, cruise control maintains your preset cruising speed in all conditions, without constant driver input. The speed limiter function can be set to keep you within the legal limit – the selected speed is saved even if you stop.

CITROEN CONNECT BOX*

This reassuring and advanced safety system connects to local emergency and assistance services, 24 hours a day, 7 days a week. If you're involved in an accident or breakdown, CITROËN Connect Box instantly confirms your exact location and help will be on its way.

FRONT FOG LIGHTS WITH CORNERING FUNCTION*

Following the direction of the front wheels, this safety feature lights up the inside of each turn, enhancing your view on tight bends and at junctions.

* Available as an option.

* Standard on Platinum versions.

28 TECHNOLOGY

EFFICIENT, INSPIRING ENGINES

Designed and produced in France, PureTech petrol engines use innovative, efficient and economical technology to reduce fuel consumption by up to 25%. CITROEN C4 offers a choice of three: the PureTech 110 manual with combined consumption of 58.9 MPG and 112 g/km of CO₂, the PureTech 130 S&S 6-speed manual delivering 58.9 MPG and 110g/km of CO₂ and the PureTech 130 S&S EAT6 with 55.4 MPG and 117 g/km of CO₂.

The diesel options are no less impressive.
The BlueHDi 100 manual achieves combined consumption of 78.5 MPG and 95g/km of CO₂,
BlueHDi 120 S&S 6-speed manual returns
74.3 MPG and 100g/km of CO₂ and
BlueHDi 120 S&S EAT6 is capable of
72.4 MPG and 104g/km of CO₂. Each of these new engines balances inspiring performance and responsiveness with serious efficiency.

2017 International Engine of the Year Award for the PureTech 110 engine, in the 1 l to 1.4 l engines category, awarded by the jury of "The International Engine of the Year Awards" organised by the British magazine "Engine Technology International".

CITROËN CARE

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

CITROËN WARRANTY

Every new CITROEN car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation ** warranty and a 3 year paint warranty.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, CITROËN Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, CITROEN Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact CITROEN at http://citroen-uk-en.custhelp.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with CITROËN Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your CITROEN, whatever happens. To find out more, contact your CITROEN Dealer or CITROEN Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a CITROÉN Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your CITROFN Dealer.

CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of CITROËN Authorised Repairers know your CITROËN best, so if your vehicle's MOT Test is due, why not contact your local CITROEN dealer? You can be confident that your vehicle will be looked after by one of our expert trained CITROEN Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know vour CITROËN.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from CITROEN UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we've worked hard to ensure that the information in this brochure is accurate at the time it was created in June 2017. It's important to remember that CITROËN can introduce changes to the equipment and accessories featured, although these wouldn't alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated, however it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.
