CITROËN GRAND C4 PICASSO

PICASSO

THE CITROËN RANGE

Here at Citroën we have come a long way since we created the world's first all-steel bodied car. Today we are recognised for our innovative technology and original designs. Our world-leading, fuel-efficient engines respect the environment and our outstanding safety features guarantee one of the safest driving environments available. We are fully committed to delivering outstanding customer service to back up the fantastic Citroën Model Range.

We're proud to be part of such an iconic brand and we look forward to helping you choose a car that means you too can enjoy the driving experience offered by Citroën's Créative Technologie.

Stéphane Le Guevel
Director General
Citroën UK and Ireland

1924

Citroën creates the B10 and the world's first all-steel bodied car is born.

1949

Twenty five years later, the iconic 2CV is launched and stays in production for over 5 decades!

A HISTORY...

1989

The prestigious, XM makes its debut, showcasing Citroën's advanced Hydractive computer controlled selflevelling suspension.

2008

The C4 WRC proves to be an all-conquering World Rally Champion. Citroën takes the Manufacturers' Title in 2008, 2009 and 2010.

2010

The innovations keep coming – quietly – with Citroën Survolt concept. A thrilling, clean, whisper quiet electric car.

2013

Never content to rest on our laurels, the innovative Citroën C3 Hybrid Air is unveiled at the Geneva Motor Show.

...OF INNOVATION

YOU & YOUR C4 PICASSO

Euro NCAP assessed: C4 Picasso

HAPPY FAMILIES

When you travel as a family, everyone wants their own space and that's exactly what Citroën C4 Picasso and Grand C4 Picasso provide. Elegantly designed, beautifully trimmed and bright, these are places to relax and enjoy the ride, with innovative, practical details and a place for everything. Here's a happy balance of versatile and luxurious.

One big reason why the inside feels so inviting and enjoyable is the dramatic sweeping panoramic windscreen. It lets natural light flood in and enhances the airy sense of space. But when you want to enjoy a little shade, you can fine-tune the brightness with the built-in sliding sunblind.

INNOVATIVE AND INCLUSIVE

We've used space creatively so you can too. The comfy individual rear seats can recline independently or fold completely flat to create easily usable room. The class-leading boot capacity in Citroën C4 Picasso is a very generous 537 litres, but this grows to 630 litres when you fold the rear seats down.

SPACE FOR SEVEN

Citroën Grand C4 Picasso adds another level of welcoming flexibility and space efficiency. Two third row seats stow neatly under the boot floor and fold out instantly to provide a high-tech interior for 7 people. Travel as a 5-seater and the boot offers a luggage friendly 793 litres, but when you really need a load carrier, there's an amazing 2,181 litres when all seats are folded!

PURE BOLD

Both these models have presence to spare. They stand out wherever you go because they are sleek, with flowing shapes and bold elegant curves. Citroën C4 Picasso is surprisingly compact considering how roomy it is, while Citroën Grand C4 Picasso has a similar profile with more volume, hinting at its super-flexible nature.

Each version has its own particular design details, but both proudly share that sweeping chrome double chevron Citroën logo at the front – it's a trademark that guarantees you fresh unique style from any angle.

DRAMATIC DETAILS

Bright halogen twin optic headlights and LED Daytime Running Lights create a powerful impression at the front, with subtle design differences giving each version a unique face. As you would expect, all versions have head-turning alloy wheels too.

At the rear there is a big, wide opening clamshell tailgate that is flanked with LED 3D effect lights on certain models, creating a prestigious, high quality feel. As with the frontal design, each model has its own signature differences. Citroën C4 Picasso rear lights are smoothly formed single shapes, where Citroën Grand C4 Picasso features an instantly recognizable twin-level design. Day in, day out, you notice the details on your family car, so they should all be beautifully designed.

STANDARD MEANS MORE

Citroën C4 Picasso and Grand C4 Picasso have all the features and technology you need to feel at home everywhere. The impressive panoramic windscreen and generous front quarter lights provide an epic and reassuringly safe view of your surroundings, while beautifully sculpted, light alloy wheels reduce weight and add design flair. Discover a specification designed to change your view of standard for good.

Whether your family life demands a 5-seat or 7-seat place to travel in, you'll soon discover that everyone's needs are catered for. Features such as individually reclining rear seats, dual-zone air conditioning and electric windows all-round make sure of it.

THE SIMPLE LIFE

Although Citroën C4 Picasso and Grand C4 Picasso bring you a wide choice of sophisticated equipment, it's all refreshingly simple to use and enjoy. The bold, clear 7 inch Touch Drive Interface is totally intuitive and allows you to access all the important systems and controls in an instant.

From your luxuriously trimmed driving seat you'll also appreciate the leather trimmed multi-function steering wheel that includes fingertip control of your music, Bluetooth® handsfree, speed limiter and cruise control for relaxing long journeys.

SAFETY FROM A-Z

Safe journeys are relaxing journeys, so Citroën C4 Picasso and Grand C4 Picasso include a full complement of advanced safety features to look after you. On every drive you are in touch with technology that keeps you firmly in control and maintains reassuring stability should the unexpected occur.

Euro NCAP assessed: C4 Picasso

The efficient Anti-lock Braking System is enhanced by Electronic Brakeforce Distribution and Emergency Brake Assist to deliver perfectly balanced stopping power for every situation. Electronic Stability Control detects and corrects any loss of traction for maximum grip, while Hill Start Assist and the automatic electric parking brake ensure a really smooth getaway however steep the slope. You won't be surprised to learn that Citroën C4 Picasso has been awarded the maximum EuroNcap 5 star safety rating.

SAFETY FOR EVERYONE

The most important job for Citroën C4 Picasso or Grand C4 Picasso is to take the very best care of your family. Both versions have been designed with advanced protection in mind, from the immensely strong passenger cell and excellent all round visibility to the complete set of airbags that include the second row of seats in Grand C4 Picasso. Automatic door and boot locking add extra peace of mind.

To make certain that everyone is safely settled before you get moving there's an 'unfastened safety belt' warning light. Everywhere you go, younger children travel in well-protected comfort thanks to ISOFIX mountings for your child safety seats. Behind the style, the space, the technology and the quality, there is always no-compromise safety, so whether you're five or seven you can travel worry-free.

19.0	A/C	-	20.0
+	+	+	+
-	-	-	-

ADVANCED ALL ROUND

Citroën C4 Picasso and Grand C4 Picasso have got every angle covered when it comes to useful innovations. Active cruise control senses when the car in front slows down and automatically adjusts your speed to maintain a safe distance, while the Lane Departure Warning System makes your seatbelt vibrate if it senses you straying out of lane above 50mph. This same technology also automatically dips your main beam when it sees an oncoming vehicle, then switches back when it's safe.

EVERY
ANGLE
COVERED

Another advance that makes journeys more relaxed is the Blind Spot Monitoring system, which detects vehicles where they're hard to see and activates a bright orange warning light in your wing mirror. When you arrive, Park Assist will help you find a space and manoeuvre into it automatically – all you have to do is control the accelerator and brake.

FOUR DIMENSIONS

Citroën C4 Picasso and Grand C4 Picasso bring you two stylish versatile designs, but your choices are just beginning. There are no compromises, just differences. The perfect model for you will be a particular mix of features, technology, design and details. Explore the trim levels here and meet a new member of the family.

VTR. RAISING THE STANDARD

Citroën C4 Picasso and Grand C4 Picasso VTR set the standard for a seriously well-equipped range. From cutting edge safety to fingertip technology control and luxury materials, there is a real premium feel everywhere. This is where no-compromise begins.

VTR+. INTO THE EXCEPTIONAL

Choose a VTR+ version to appreciate an additional level of features. Not just for the sake of it, but because there is a carefully considered selection of extra technology, comfort features and ingenious storage solutions that gives these models a distinct personality – and a real air of luxury.

EXCLUSIVE. EQUIPPED TO INSPIRE

Exclusive versions provide innovations to amaze you. They offer the very latest navigation and driving aids and even more quality design elements inside and out. Every journey is made more relaxing, entertaining, safe and stylish because this all-encompassing trim level enhances your whole car.

EXCLUSIVE+. RETHINK YOUR ULTIMATE

With Citroën C4 Picasso and Grand C4 Picasso Exclusive+ versions you will enjoy the definitive specification. Everything you could wish for is here, from class-leading protection to the last word in comfort and style. It feels good to know you're driving the ultimate expression of your chosen car with every last drop of Citroën know-how and inspiration included.

PRODUCT SPECIFICATIONS

PICASSO

OVER TO YOU...

Here the journey begins with your choice of model and individual specification. This is where you decide which strengths of Citroën C4 Picasso and Grand C4 Picasso meet your needs. Generous equipment spec and sheer quality are combined with unmistakable style and a bright, beautifully airy cabin to create a relaxing place to travel.

BEGIN WITH BRILLIANT

There are four trim levels to choose between and they each have a strong, distinct identity. They are all extremely well equipped with the style, comfort, and technology elements that count, so it really is simply a matter of personal taste and exact needs. It begins with VT and VTR+.

All diesel engines are fitted with Diesel Particulate Filter System. MPG figures are achieved under official EU test conditions, intended as a guide for comparative purposes only, and may not reflect actual on-the-road driving conditions.

CITROËN & YOU

Finance and Insurance should reflect you and your needs, just as your chosen car does. Here are the products that aim to do just that.

CITROËN FINANCIAL SERVICES

PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING

HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 08457 940 940 or look us up at www.citroen.co.uk/fleet

CITROËN INSURANCE

INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Limited which is authorised and regulated by the Financial Conduct Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

Care for your Citroën C4 Picasso or Grand Citroën C4 Picasso and it will look after you – like every Citroën it's part of legendary engineering heritage with reliability built in.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

GLOSSARY

> e-HDi ENGINES

The e-HDi 90 ETG6 engine is capable of 74.3mpg and CO₂ emissions of just 98g/km combined with the ETG6 gearbox. It has a reversible starter-alternator that works in tandem with an e-booster to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

> PETROL ENGINES

Part of Citroën's range of state-of-the-art engines, THP petrol powertrains are friction optimised and benefit from an inlet camshaft variable valve timing system that constantly measures the pressure on the accelerator and precisely regulates the quantity of air entering the cylinders. VTi engines boast advanced variable inlet valve lift and exhaust camshaft variable valve timing systems whilst THP engines are turbocharged. This guarantees outstanding efficiency and allows for immediate response with plenty of low range torque available.

> PARK ASSIST

An advanced active parking aid, Park Assist finds a suitable space then smoothly guides Citroën C4 Picasso and Grand C4 Picasso into it. All you have to do is engage reverse, accelerate and brake. Audible signals and a clear picture on the 12 inch panoramic screen let you know what's happening every inch of the way.

> LANE DEPARTURE WARNING SYSTEM

The Lane Departure Warning System keeps you on course. It uses a miniature camera integrated into the base of the rear view mirror to monitor when white lines on the road have been crossed and sends vibrations through the driver's seatbelt. It's like an extra pair of eyes, looking out for you on every journey.

> PARK ASSIST 360

Park Assist 360 provides all-round vision from four cameras. It's perfect for hassle-free parking manoeuvres in the tightest spots and further enhances the automated Park Assist system.

> ELECTRONIC STABILITY CONTROL

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESC's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

> BLIND SPOT MONITORING SYSTEM

This sophisticated safety system detects vehicles approaching from behind up to three metres away. When they are in a place where you cannot easily see, Blind Spot Monitor triggers an orange light that illuminates in the wing mirror on the relevant side.

> INTELLIGENT BEAM HEADLIGHTS

A miniature camera mounted in the base of the rear view mirror dips your headlights when it senses an oncoming vehicle. As soon as the vehicle has safely passed, it switches straight back to main beam.

> ACTIVE SEATBELTS

Active seatbelts vibrate when the vehicle senses that you've accidentally crossed the white lines and for ESC and cruise control alerts. They also pre-tension if a collision is anticipated.

DIMENSIONS
