CITROËN GRAND C4 PICASSO

PICASSO

THE CITROËN RANGE

Here at Citroën we have come a long way since we created the world's first all-steel bodied car. Today we are recognised for our innovative technology and original designs. Our world-leading, fuel-efficient engines respect the environment and our outstanding safety features guarantee one of the safest driving environments available. We are fully committed to delivering outstanding customer service to back up the fantastic Citroën Model Range.

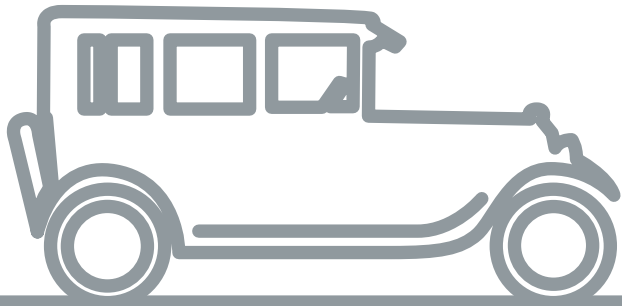

We're proud to be part of such an iconic brand and we look forward to helping you choose a car that means you too can enjoy the driving experience offered by Citroën's Créative Technologie.

A stylized, handwritten signature in black ink.

Stéphane Le Guevel
Director General
Citroën UK

1924

Citroën creates the B10 and the world's first all-steel bodied car is born.

1949

Twenty five years later, the iconic 2CV is launched and stays in production for over 5 decades!

A HISTORY...

1989

The prestigious, XM makes its debut, showcasing Citroën's advanced Hydractive computer controlled selflevelling suspension.

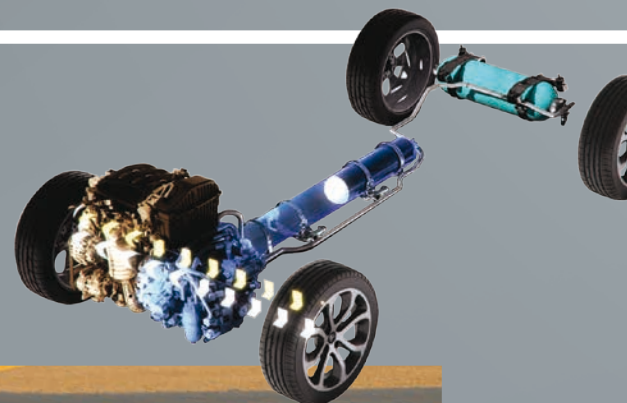

2008

The C4 WRC proves to be an all-conquering World Rally Champion. Citroën takes the Manufacturers' Title in 2008, 2009 and 2010.

2010

The innovations keep coming – quietly – with Citroën Survolt concept. A thrilling, clean, whisper quiet electric car.

2013

Never content to rest on our laurels, the innovative Citroën C3 Hybrid Air is unveiled at the Geneva Motor Show.

...OF INNOVATION

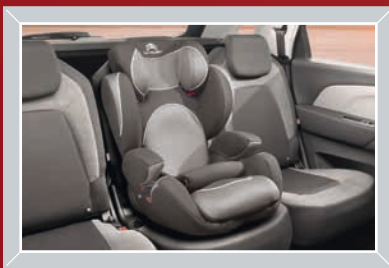

Euro NCAP assessed: C4 Picasso

YOU & YOUR C4 PICASSO

Citroën C4 Picasso and Grand C4 Picasso transport your family in first-class style, space and comfort. Well-equipped, with great technology plus that reassuring feel of quality and advanced safety, they're simply made for life's journeys.

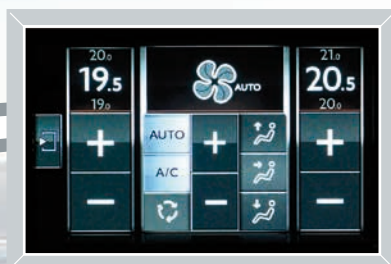

HAPPY FAMILIES

When you travel as a family, everyone wants their own space and that's exactly what Citroën C4 Picasso and Grand C4 Picasso provide. Elegantly designed, beautifully trimmed and bright, these are places to relax and enjoy the ride, with innovative, practical details and a place for everything. Here's a happy balance of versatile and luxurious.

One big reason why the inside feels so inviting and enjoyable is the dramatic sweeping panoramic windscreen. It lets natural light flood in and enhances the airy sense of space. But when you want to enjoy a little shade, you can fine-tune the brightness with the built-in sliding sunblind.

INNOVATIVE AND INCLUSIVE

We've used space creatively so you can too. The comfy individual rear seats can recline independently or fold flat to create easily usable room. The class-leading boot capacity in Citroën C4 Picasso is a very generous 537 litres, but this grows to 630 litres when you fold the rear seats down.

SPACE FOR SEVEN

Citroën Grand C4 Picasso adds another level of welcoming flexibility and space efficiency. Two third row seats stow neatly under the boot floor and fold out instantly to provide a high-tech interior for 7 people. Travel as a 5-seater and the boot offers a luggage friendly 793 litres, but when you really need a load carrier, there's an amazing 2,181 litres when all seats are folded!

PURE BOLD

Both these models have presence to spare. They stand out wherever you go because they are sleek, with flowing shapes and bold elegant curves. Citroën C4 Picasso is surprisingly compact considering how roomy it is, while Citroën Grand C4 Picasso has a similar profile with more volume, hinting at its super-flexible nature.

Each version has its own particular design details, but both proudly share that sweeping chrome double chevron Citroën logo at the front – it's a trademark that guarantees you fresh unique style from any angle.

DRAMATIC DETAILS

Bright halogen twin optic headlights and LED Daytime Running Lights create a powerful impression at the front, with subtle design differences giving each version a unique face. As you would expect, all versions have head-turning alloy wheels too.

At the rear there is a big, wide opening clamshell tailgate that is flanked with LED 3D effect lights on certain models, creating a prestigious, high quality feel. As with the frontal design, each model has its own signature differences. Citroën C4 Picasso rear lights are smoothly formed single shapes, where Citroën Grand C4 Picasso features an instantly recognizable twin-level design. Day in, day out, you notice the details on your family car, so they should all be beautifully designed.

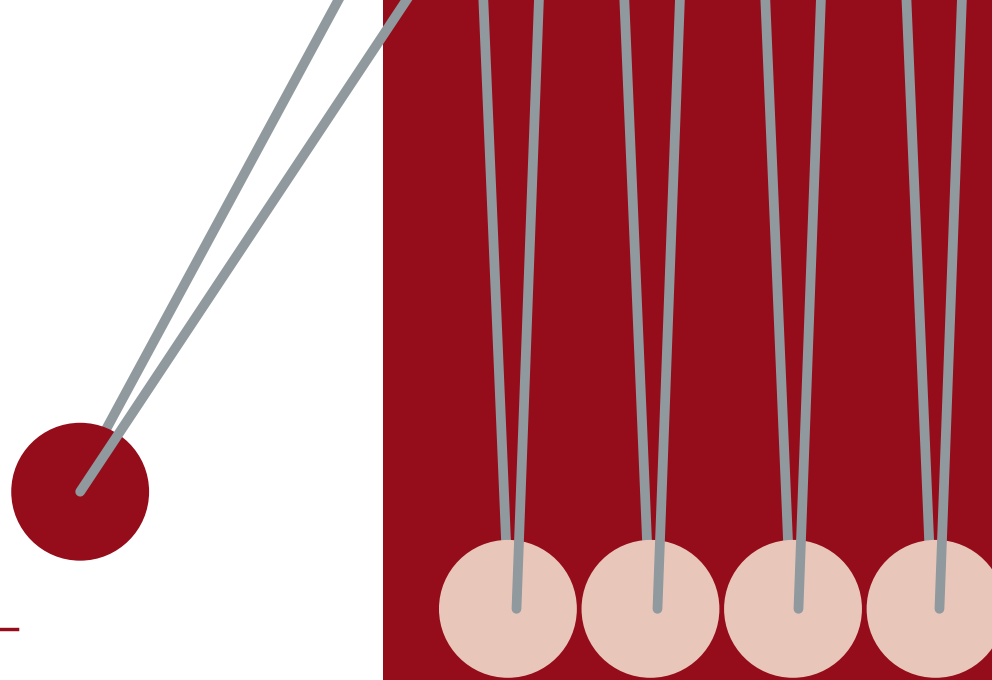

STANDARD MEANS MORE

Citroën C4 Picasso and Grand C4 Picasso have all the features and technology you need to feel at home everywhere. The impressive panoramic windscreen and generous front quarter lights provide an epic and reassuringly safe view of your surroundings, while beautifully sculpted, light alloy wheels reduce weight and add design flair. Discover a specification designed to change your view of standard for good.

Whether your family life demands a 5-seat or 7-seat place to travel in, you'll soon discover that everyone's needs are catered for. Features such as individually reclining rear seats, dual-zone air conditioning and electric windows all-round make sure of it.

THE SIMPLE LIFE

Although Citroën C4 Picasso and Grand C4 Picasso bring you a wide choice of sophisticated equipment, it's all refreshingly simple to use and enjoy. The bold, clear 7 inch Touch Drive Interface is totally intuitive and allows you to access all the important systems and controls in an instant.

From your luxuriously trimmed driving seat you'll also appreciate the leather trimmed multi-function steering wheel that includes fingertip control of your music, Bluetooth® handsfree, speed limiter and cruise control for relaxing long journeys.

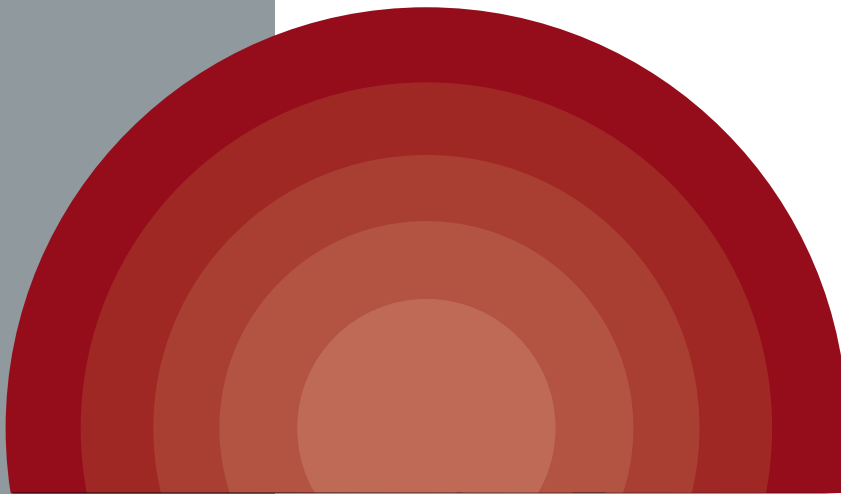

SAFETY FROM A-Z

Safe journeys are relaxing journeys, so Citroën C4 Picasso and Grand C4 Picasso include a full complement of advanced safety features to look after you. On every drive you are in touch with technology that keeps you firmly in control and maintains reassuring stability should the unexpected occur.

Euro NCAP assessed: C4 Picasso

The efficient Anti-lock Braking System is enhanced by Electronic Brakeforce Distribution and Emergency Brake Assist to deliver perfectly balanced stopping power for every situation. Electronic Stability Control detects and corrects any loss of traction for maximum grip, while Hill Start Assist and the automatic electric parking brake ensure a really smooth getaway however steep the slope. You won't be surprised to learn that Citroën C4 Picasso has been awarded the maximum Euro NCAP 5 star safety rating.

SAFETY FOR EVERYONE

The most important job for Citroën C4 Picasso or Grand C4 Picasso is to take the very best care of your family. Both versions have been designed with advanced protection in mind, from the immensely strong passenger cell and excellent all round visibility to the complete set of airbags that include the second row of seats in Grand C4 Picasso. Automatic door and boot locking add extra peace of mind.

To make certain that everyone is safely settled before you get moving there's an 'unfastened safety belt' warning light. Everywhere you go, younger children travel in well-protected comfort thanks to ISOFIX mountings for your child safety seats. Behind the style, the space, the technology and the quality, there is always no-compromise safety, so whether you're five or seven you can travel worry-free.

EFFORTLESS SOPHISTICATION

For technology to make a positive impact on your everyday life it has to be easy to use – effortless and intuitive. Everything you get in Citroën C4 Picasso or Grand C4 Picasso is shaped by this idea, so that you never have to think about how to fine-tune settings or search for the right functions, you just do it!

At the heart of this easy-to-use design approach is the 7 inch Touch Drive Interface. Clear and bright, it gives you instant control of everything from air-conditioning to the audio controls. Some models also have a stunning 12 inch panoramic HD display to make the most of technology such as the colour reversing camera and navigation information.

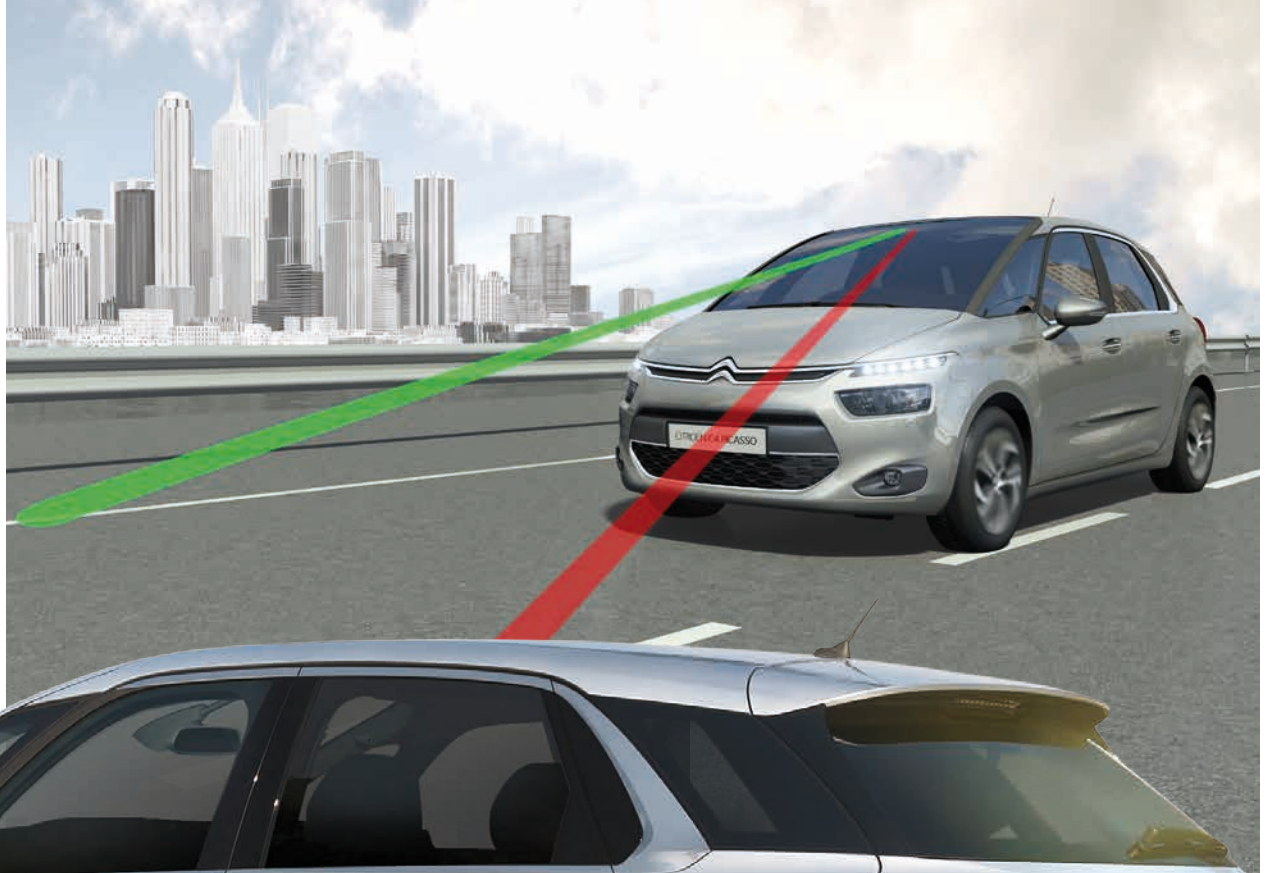

ADVANCED ALL ROUND

Citroën C4 Picasso and Grand C4 Picasso have got every angle covered when it comes to useful innovations. Optional active cruise control senses when the car in front slows down and automatically adjusts your speed to maintain a safe distance, while the Lane Departure Warning System makes your seatbelt vibrate if it senses you straying out of lane above 50mph. This same technology also automatically dips your main beam when it sees an oncoming vehicle, then switches back when it's safe.

EVERY
ANGLE
COVERED

Another advance that makes journeys more relaxed is the Blind Spot Monitoring system, which detects vehicles where they're hard to see and activates a bright orange warning light in your wing mirror. When you arrive, Park Assist will help you find a space and manoeuvre into it automatically – all you have to do is control the accelerator and brake.

FOUR DIMENSIONS

Citroën C4 Picasso and Grand C4 Picasso bring you two stylish versatile designs, but your choices are just beginning. There are no compromises, just differences. The perfect model for you will be a particular mix of features, technology, design and details. Explore the trim levels here and meet a new member of the family.

VTR. RAISING THE STANDARD

Citroën C4 Picasso and Grand C4 Picasso VTR set the standard for a seriously well-equipped range. From cutting edge safety to fingertip technology control and luxury materials, there is a real premium feel everywhere. This is where no-compromise begins.

VTR+. INTO THE EXCEPTIONAL

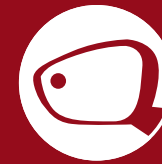

Choose a VTR+ version to appreciate an additional level of features. Not just for the sake of it, but because there is a carefully considered selection of extra technology, comfort features and ingenious storage solutions that gives these models a distinct personality – and a real air of luxury.

EXCLUSIVE. EQUIPPED TO INSPIRE

Exclusive versions provide innovations to amaze you. They offer the very latest navigation and driving aids and even more quality design elements inside and out. Every journey is made more relaxing, entertaining, safe and stylish because this all-encompassing trim level enhances your whole car.

EXCLUSIVE+. RETHINK YOUR ULTIMATE

With Citroën C4 Picasso and Grand C4 Picasso Exclusive+ versions you will enjoy the definitive specification. Everything you could wish for is here, from class-leading protection to the last word in comfort and style. It feels good to know you're driving the ultimate expression of your chosen car with every last drop of Citroën know-how and inspiration included.

BEGIN WITH BRILLIANT

There are five trim levels to choose between and they each have a strong, distinct identity. They are all extremely well equipped with the style, comfort, and technology elements that count, so it really is simply a matter of personal taste and exact needs. It begins with VT and VTR+.

VTR. A FLYING START.

VTR specification includes:

- ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance
- Electronic Stability Control with traction control
- Automatic handbrake and Hill Start Assist function
- Driver, front passenger, front lateral and curtain airbags (including row 2)
- Compressor with puncture repair kit
- Remote central locking with deadlocks
- Automatic door and boot locking (when vehicle is in motion and unlocking in case of impact)
- Electronic rear window child locks
- Panoramic windscreen (with sliding interior sun blinds)
- LED Daytime Running Lights (DRLs)
- Twin optic headlights
- 16 inch 'Viper' alloy wheels
- Two-tone soft touch upper dashboard and white back-lit dashboard illumination
- Front and rear electric windows with one-touch operation
- Height and recline adjustable driver's seat
- 3 separate full size rear seats with adjustable recline angle
- Individual fold flat rear seats with retractable head restraints
- Fold out flat load cover panel (bridges gap between folded seat and boot floor) (Grand C4 Picasso model only)
- Illuminated glovebox and central storage compartment
- Cruise control with speed limiter
- Engine start button
- Gear Efficiency Indicator
- 7 inch Touch Drive interface (used to control all primary vehicle functions)
- Immobiliser
- Variable assistance power steering
- 12 volt socket in central storage and additional 12 volt sockets in row 2 and boot
- RDS radio/MP3 player with six speakers, Bluetooth® handsfree with media streaming and USB socket, steering mounted controls

VTR+. RAISING THE STANDARD.

VTR+ specification in addition to VTR includes:

- Automatic lights and windscreen wipers
- Front fog lights
- Electrically heated, folding body colour door mirrors with LED indicators
- Automatic dual zone air conditioning
- Height and recline adjustable, flat folding front passenger's seat
- Adjustable armrests for driver's and front passenger's seats
- Drawer under driver's and front passenger's seats
- Aircraft style tables with cup holders (in row 2)
- Rear underfloor storage (row 2)
- Air vents for rear seat passengers (including fan speed adjustment for Grand C4 Picasso)
- DAB digital radio
- Rear parking sensors

MAKE THE SELECTION

Citroën C4 Picasso Selection's dynamic exterior and eye-catching details are matched by an uncluttered and roomy contemporary interior, both of which make the most of carefully chosen style elements.

SELECTION EDITION. THOUGHTFULLY ENHANCED.

Selection Edition specification in addition to VTR+ includes:

- Panoramic sunroof with dark tinted glass and electric sliding blind
- 17 inch 'Anaconda' alloy wheels (C4 Picasso)
- 17 inch 'Boa' alloy wheels (Grand C4 Picasso)
- Slate grey/black 'Yatago' cloth

WANT FOR NOTHING

All the qualities that make Citroën C4 Picasso and Grand C4 Picasso special are included on Exclusive and Exclusive+. From entertainment and communication to luxury and safety, these trim levels embrace you and your family in the most sophisticated, accommodating and useful specification. Relax and enjoy the best of everything, everywhere you go!

EXCLUSIVE. EQUIPPED TO INSPIRE.

Exclusive specification in addition to VTR+ includes:

- LED door mirror indicator repeaters
- Fog lights with cornering function
- Front parking sensors
- Chrome side signature (C4 Picasso)
- Graphite grey side profile with integrated roof bars (Grand C4 Picasso)
- 'Exclusive' external badging
- 17 inch 'Anaconda' alloy wheels (C4 Picasso)
- 17 inch 'Boa' alloy wheel (Grand C4 Picasso)
- Aluminium and gloss black dashboard trim and air vent surrounds
- Premium leather steering wheel with satin chrome inserts and 4 control zone
- 12 inch panoramic HD display
- eMyWay satellite navigation
- Perimetric and volumetric alarm
- Rechargeable boot light/torch

EXCLUSIVE+. RETHINK YOUR ULTIMATE.

Exclusive+ specification in addition to Exclusive includes:

- Active Seatbelt safety system
- Blind spot monitoring system
- Reversing camera (displayed on 12 inch HD screen)
- Keyless entry and start
- Panoramic sunroof (with dark tinted glass and electric sliding blind)
- LED 3D effect rear lights and LED front indicators
- Reverse-dipping door mirrors with LED indicators
- Aluminium front sill scuff protectors (C4 Picasso)
- Aluminium front and rear sill scuff protectors (Grand C4 Picasso)
- 18 inch 'Python' alloy wheels (excludes BlueHDi 120 versions)
- 17 inch alloy wheels (BlueHDi 120 versions only)
- Dark tinted rear side windows, rear quarter light windows and rear windscreen
- Auto-dimming electrochrome rear-view mirror
- Fan speed adjustment for row 2 passenger air vents (including C4 Picasso)
- Air conditioning in row 3 (vents in ceiling console) (Grand C4 Picasso)
- Integrated scented air freshener
- Reading spot lights for rear aircraft style tray tables
- Driver's seat: electric massage function with adjustable lumbar support
- Front passenger's seat with massage function and electric footrest
- Extra support head rests
- Luxury velour carpet mats
- Slate grey leather with black 'Ondulice' cloth (with gloss finish grey dashboard)
- Park Assist with front parking sensors
- Motorised rear tailgate (with programmable opening height memory)
- **Kids' Pack** – integrated retractable rear side window sun blinds and rear passenger observation mirror

CITROËN & YOU

Finance and Insurance should reflect you and your needs, just as your chosen car does. Here are the products that aim to do just that.

CITROËN FINANCIAL SERVICES

PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING

HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 08457 940 940 or look us up at www.citroen.co.uk/fleet

CITROËN INSURANCE

INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK (company registration number: 01024322) having its registered office at Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

Care for your Citroën C4 Picasso or Grand Citroën C4 Picasso and it will look after you – like every Citroën it's part of legendary engineering heritage with reliability built in.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

GLOSSARY

› BLUEHDi DIESEL ENGINE

BlueHDi is the name given to Citroën's latest generation of diesel engines. It complies with latest Euro 6 emission standards to deliver exceptional fuel economy and CO₂ emissions, and gives a driving experience rich in power and performance.

› PURETECH ENGINES

PureTech engines provide increased power with lower fuel consumption and emissions by adopting a smaller and lighter three cylinder configuration constructed of pressure-cast aluminium. In conjunction with low friction component coatings, improved air and fuel flow and optimised combustion, this allows engines to offer more power, better fuel economy and significantly lower CO₂ emissions.

› PARK ASSIST

An advanced active parking aid, Park Assist finds a suitable space then smoothly guides Citroën C4 Picasso and Grand C4 Picasso into it. All you have to do is engage reverse, accelerate and brake. Audible signals and a clear picture on the 12 inch panoramic screen let you know what's happening every inch of the way.

› LANE DEPARTURE WARNING SYSTEM

The Lane Departure Warning System keeps you on course. It uses a miniature camera integrated into the base of the rear view mirror to monitor when white lines on the road have been crossed and sends vibrations through the driver's seatbelt. It's like an extra pair of eyes, looking out for you on every journey.

› PARK ASSIST 360

Park Assist 360 provides all-round vision from four cameras. It's perfect for hassle-free parking manoeuvres in the tightest spots and further enhances the automated Park Assist system.

› ELECTRONIC STABILITY CONTROL

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESC's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

› BLIND SPOT MONITORING SYSTEM

This sophisticated safety system detects vehicles approaching from behind up to three metres away. When they are in a place where you cannot easily see, Blind Spot Monitor triggers an orange light that illuminates in the wing mirror on the relevant side.

› INTELLIGENT BEAM HEADLIGHTS

A miniature camera mounted in the base of the rear view mirror dips your headlights when it senses an oncoming vehicle. As soon as the vehicle has safely passed, it switches straight back to main beam.

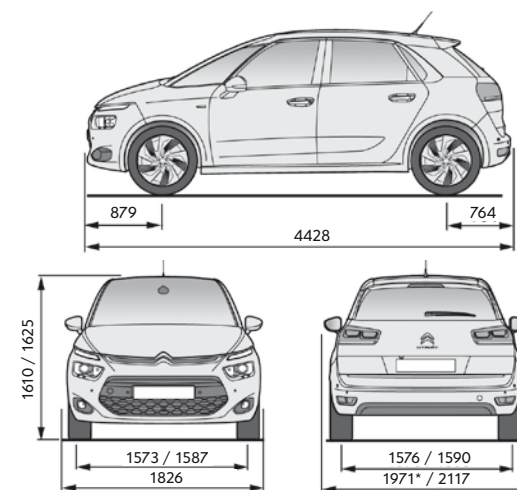

› ACTIVE SEATBELTS

Active seatbelts vibrate when the vehicle senses that you've accidentally crossed the white lines and for ESC and cruise control alerts. They also pre-tension if a collision is anticipated.

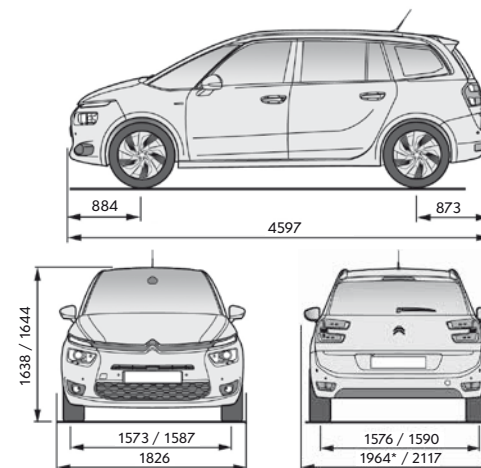

DIMENSIONS
